virtusa

Job Description: Campus Hire - Executive CMA

Virtusa is a leading Digital engineering and technology services company providing services to Forbes Global 2000 companies Worldwide.

About the team – At Virtusa Finance team, you will work in a team of 250+ professionals from diverse background and expertise. Join the Finance team processing 25,000+ employees, 35+Business units across globe serving 250+Clients.

Job Overview

Virtusa is seeking highly motivated and talented newly qualified CMAs to join our team across multiple core finance functions. As a campus hire, you will gain exposure to global accounting standards (US GAAP, IFRS) and Indian Accounting Standards (IND AS) within a fast-paced, high-growth environment. This role provides a foundation for a successful career in corporate finance and a unique opportunity to contribute to critical business operations.

Key Functions and Rotational Opportunities

Successful candidates will be placed or rotated through the Controllership, Tax, and Financial Planning & Analysis (FP&A) organizations:

- **Controllership**: Prepare consolidated financial statements (US GAAP, IFRS, IND AS); lead month-end close activities, including fixed assets and leases; manage GL account reconciliations and variance analysis; and coordinate all internal and external audit cycles.

- **Tax Compliance**: Oversee the preparation and filing of corporate income tax and GST returns; calculate quarterly and annual tax provisions; and research complex, multi-jurisdictional tax issues.

- **Financial Planning & Analysis (FP&A)**: Develop annual budgets and periodic forecasts; track performance against plans; conduct deep-dive variance and profitability analysis (product/customer); and provide data-driven insights to leadership.

- **Treasury & Revenue**: Manage cash positions and foreign currency risk (hedging); ensure proper revenue recognition; and analyze product margins to support strategic pricing decisions.
