Dear Sir/ Madam,

Greetings!!

Succession planning is a critical component of corporate governance, business continuity and long-term wealth preservation. As businesses evolve and ownership structures become increasingly complex, a well-defined succession plan is essential to ensure seamless leadership transitions, protect stakeholder interests, preserve family and business wealth, and minimise legal and financial uncertainties.

Against this backdrop, the Corporate Affairs Committee of PHDCCI is organising a **Seminar on Succession Planning: Law, Governance & Practice for Corporates** on **Friday, 20th November 2026 | 02:30 PM – 6:00 PM | PHD House, 4/2, Siri Institutional Area, August Kranti Marg, New Delhi – 110016**.

The deliberations will provide insights into the legal and regulatory framework governing succession, tax and accounting considerations, estate and property planning, and the documentation and implementation of effective succession strategies.

The seminar will be of particular relevance to business owners, promoters, family businesses, directors, company secretaries, legal professionals, chartered accountants, tax advisors, corporate governance professionals and wealth management practitioners**.**

There is a nominal fee of Rs. 1000/- per delegate to participate in the event**.** Prior registration is mandatory**.** Please register through the link given below.
