timings of the Institute. They should be a bonafide employee of the tenderer. **Upon emerging as successful tenderer, the copies of certificates of the service personnel need to be submitted.**

6. The service personnel have to do all kinds of co-ordination with supplier/ vendor/ OEM of the equipment covered under the contract whenever required.
7. For replacing service personnel, the tenderer has to give sufficient notice to the Institute in this regard. Frequent change of service personnel needs to be avoided. In case of temporary absence of service personnel from the premises of the Institute suitable stand-in service personnel shall be provided by the tenderer.
8. The service personnel to be deputed at our location will be governed by Codes and ethics of the institute.
9. The tenderer shall not sub-contract the mentioned work to any organization, person, firm or its franchisee without the prior approval of the Institute.
10. The tenderer shall ensure that the malfunctioned system etc. is rectified within 12 working hours of lodging the complaint by the Institute.
11. The tenderer shall ensure 99% uptime of the above-mentioned systems at the Institute.
12. L1 vendor will be decided based on the total cost of the contract. However, the Institute is not bound to accept the lowest tender and reserves the right to accept either in full or in part of any tender. The Institute also reserves the right to reject the tenders without assigning any reason thereof. However, additional equipment will be based on the individual L1 rate during the tendering process.
13. The Institute shall not consider any request for a change in rates of AMC due to any reason whatsoever, during the current period of the contract.
14. **The payment will be made on a quarterly basis, at the end of each quarter, subject to satisfactory maintenance service and on submission of invoices along with the monthly attendance sheet of each of the resident engineers. For each absent or more than three lates or more than three early leaving in a month of the resident engineer 0.1% of the total order value will be deducted from the invoice. Necessary PF and ESI statement (monthly / quarterly) submitted for the deployed / resident service engineer needs to be enclosed along with the invoice.**
15. Upon being selected as the successful tenderer and being awarded the AMC, the tenderer is expected to reply to all queries/ complaints that may be raised by the Institute from time to time.
16. **The Non-Comprehensive AMC is for a period of one year, which may be extended for a further period of another five years on an annual basis based on the same rate and terms & conditions subject to satisfactory service. The Institute also reserves the right to terminate the contract any time during the contract period with a notice period of 30 days, without assigning any reasons thereof. On termination of contract, the maintenance charges shall be paid on a pro-rata basis.**
17. The institute, at its sole discretion, reserves the right to accept or reject any or all the quotations including the lowest tender at any stage without assigning any reason thereof and the decision of the Institute will be final and binding on all concerned.
