CIRCULAR

It has been observed that, despite the verification measures already put in place, certain contractors are allegedly submitting forged and fabricated documents during the tendering process. In some cases, the authenticity of GST Registration Certificates, GST Returns, Income Tax Returns, and other financial documents could not be independently verified by this office from the available records.

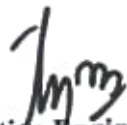

To ensure greater transparency and authenticity of the documents submitted by bidders, this office had made it mandatory for such documents to be verified and certified by a Chartered Accountant. However, it has also come to the notice of this office that some contractors have allegedly submitted fraudulent documents bearing fake or unauthorized seals and signatures of Chartered Accountants/Cost Accountants, thereby misleading the department.

In view of the above, and to safeguard the interests of the department, it is hereby ordered that henceforth all GST-related documents, Income Tax Returns, financial statements, and other relevant documents requiring certification shall invariably be verified and certified by the concerned Chartered Accountant/Cost Accountant along with a valid UDIN (Unique Document Identification Number). The authenticity of such certifications shall be liable to verification from the concerned professional body, and any discrepancy found shall render the bidder liable for appropriate action as per rules.

This circular shall come into force with immediate effect.

No: XEN/REW/BPR/2026-27/ 2017

DATED: 06/10/2026.
